Kratom dietary supplement

Company Announcement

Badger Botanicals, LLC of Springville, Utah is recalling Green Suma, Red Suma, Green Hulu 2, and Red Hulu 2 kratom dietary supplements sold directly to consumers via the company website from January 1st, 2018 to April 12th, 2018 in pouches of 250g, because it has the potential to be contaminated with *Salmonella*.

Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy people infected with *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, *Salmonella* can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers.

Attached is an image of the product labels to aide in identifying product associated with this recall.

One potential illnesses has been reported to date in connection with this problem.

The potential for contamination was noted after sampling and testing by the FDA revealed the presence of *Salmonella*.

Consumers who have purchased the products listed above should discontinue use of the product and may return the unused portion. Consumers with questions may contact Badger Botanicals, LLC at 1-385-325-0875 (tel:1-385-325-0875).
