Company Announcement

Maya Distribution, LLC of South Salt Lake City, Utah is voluntarily recalling Dragon Kratom labeled bottles and sealed packages of encapsulated and raw powder product because it has the potential to be contaminated with *Salmonella*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis, and arthritis.

One illness has been reported to date to the Food and Drug Administration.

The recall was initiated after Maya Distribution was notified of positive *Salmonella* test results by the Food and Drug Administration. Maya Distribution has identified the supplier and source of contaminated product and has ceased the production and distribution of the product.

Consumers who may be in possession of potentially contaminated products are advised not to consume products labeled Dragon, Dragon Kratom, Dragon Malaysian, Dragon Ultra Enhanced Indo Extract, Dragon Bali, or Dragon Maeng Da. All products associated with this recall should be returned to Maya Distribution for a full refund. Customers can return product to the place of purchase for a full refund and retail stores will receive a full refund from Maya Distribution if reported within 14 business days of this release.

Maya Distribution is working in cooperation with the Food and Drug Administration and will destroy all recalled product upon return.
