Summary

Company Announcement Date:

March 16, 2018

FDA Publish Date:

April 09, 2020

Product Type:

Dietary Supplements

Food & Beverages

Nutritional Supplement

Foodborne Illness

Reason for Announcement:

Potential to be contaminated with Salmonella

Company Name:

PDX Aromatics

Brand Name:

Kraken Kratom, Phytoextractum, & Soul Speciosa

Product Description:

White vein powder & capsule red vein powder products

Company Announcement

PDX Aromatics, DBA Kraken Kratom, Phytoextractum, and Soul Speciosa, is expanding the scope of their 3/9/2018 voluntary recall of certain kratom white vein powder and capsule products and red vein powder products because they have the potential to be contaminated with *Salmonella*. The expanded recall is being initiated in response to additional positive findings of *Salmonella* associated with Aromatics' products following the FDA initial investigation.

Salmonella, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

The expanded recall includes white vein and red vein powder and capsule products shipped between 1/18/2018 and 3/8/2018.

The expanded recalled products were sold directly to internet consumers in the US through the company websites [\(http://phytoextractum.com\)](http://phytoextractum.com) ↗[\(http://www.fda.gov/about-fda/website-policies/website-disclaimer\);](http://www.fda.gov/about-fda/website-policies/website-disclaimer) [\(http://soulspeciosa.com\)](http://soulspeciosa.com) ↗[\(http://www.fda.gov/about-fda/website-policies/website-disclaimer\); and \[\\(http://krakenkratom.com\\)\]\(http://krakenkratom.com\) ↗\[\\(http://www.fda.gov/about-fda/website-policies/website-disclaimer\\).\]\(http://www.fda.gov/about-fda/website-policies/website-disclaimer\)](http://www.fda.gov/about-fda/website-policies/website-disclaimer)

PDX Aromatics has identified a supplier in their supply chain as the source of *Salmonella*. The company has removed that supplier from their supply chain and all associated products from their facility.

The company is thoroughly communicating the details of the recall and is notifying all customers to return products so they can be destroyed. Any customer who believes they may have product affected by this recall should visit pdxaromatics.com/recall (<http://www.fda.gov/about-fda/website-policies/website-disclaimer>) for complete return and refund instructions. Working in cooperation with the FDA, the company will destroy all recalled product upon return.

As a community-focused, family-owned company, PDX Aromatics takes its responsibility to provide safe products for all its customers very seriously. The company is committed to ensuring the safety of all of its products and its facility and has suspended product sales and shipments pending a full quality audit, including thorough cleaning and disinfection processes and extensive testing.

Consumers with questions should contact PDX Aromatics at [503-850-9225](tel:503-850-9225) (<tel:503-850-9225>), 9AM-5PM PT, Monday through Friday, or at recall@pdxaromatics.com (<mailto:recall@pdxaromatics.com>).
